

## BACK TO FARM, SAYS MR. PLATT

### Fallen Boss Is Weary of Snubs.

#### Grizzled Old Warrior Will Retire From Active Politics for Good.

#### He Says He Intends to Make High- land Falls His Permanent Home.

NEW YORK, July 24.—Since Gov. Odell has been placed in charge of the New York Republican organization, Senator Tom Platt has concluded to retire to his farm in Highland Falls, Orange county, and devote most of his time to raising something besides trouble in the Republican party.

"Do you intend to make it merely your summer home?" the Senator was asked. "No, indeed," he replied. "It will be my home for twelve months each year. I have spent my summers in this hotel since it first was opened in July, 1880, but on Tuesday I packed up and left for good. Of course I shall run down to the city occasionally, but the farm will be my permanent home."

There was in the voice of the feeble old man a note of regret that he could not conceal. Since Gov. Odell assumed the reins of Republican party control the so-called Senator Platt at Manhattan Beach has been far from pleasant, his friends say. This summer he has missed more than ever the adulation of Republicans who had ends or friends to serve, and the calls made upon him by politicians of prominence have been remarkably few. In the opinion of those who have been spending the summer in the Oriental, the Senator was asked what he thought of the Republican Governorship situation. He said:

"It will not be settled until the State convention meets on September 14. Without doubt Mr. Root would make a strong candidate. However, you know the old saying about being able to lead a horse to water, but you can't make him drink. Well, in this instance Mr. Root is the horse. Mr. Platt said he will not accept the nomination, and he means it. Therefore he is out of the situation."

Mr. Platt said he did not know when he would see Gov. Odell again. "Have you another appointment to go to Oyster Bay?"

Well, the President is going to Washington on July 28," he replied. "After being there a short time he will return to Oyster Bay and spend the remainder of the summer there. After his return I expect to see him."

#### American Battleships Sail.

#### Commission to Investigate.

BRUSSELS, July 24.—It is announced that the Congo Free State has decided to have a commission, composed of Dr. Janssens, African general of the Brussels Appeal court, Baron Visco, president of the Boma Appeal court, and a third Legation authority, either Swiss or Norwegian, investigate the condition of the natives of its territory.

#### Gov. Wright's Son Resigns.

WASHINGTON, July 24.—Ensign Luke E. Wright, Jr., who has recently completed his cruise on the Detroit, and also the eight years' service required of officers in the navy, has tendered his resignation to the Secretary of the Navy, and probably it will be accepted. He is a son of Gen. Luke E. Wright, Civil Governor of the Philippines.

#### Minister Accused of Fraud.

PORT AU PRINCE, Hayti, July 24.—M. Thezan, Minister of the Interior, has disappeared. An order for the Minister's arrest had been issued by the magistrate who has been investigating the issue of a year of \$200,000 in fraudulent securities of the National bank, on the ground that M. Thezan was compromised in the fraud.

#### Boy Shoots His Grandmother.

OLYMPIA, Wash., July 24.—Mr. Mary Stewart, aged 65, was shot in the head by her grandson, Claud Adams, last evening at Black Lake. The young man was cleaning a loaded revolver when he accidentally discharged it. While Mrs. Stewart's wound is not necessarily fatal, her age makes her recovery unlikely.

#### Tibetans Talk of Peace.

NAGARTSE, Tibet, July 24.—The Tibetan peace delegates met the British mission and professed a willingness to arrange peace if the commission would return Gyantse. Col. Younghusband replied that he could only make peace at Lhasa, but that he was willing to discuss terms while proceeding there.

#### Masked Robber Gets \$500.

TUCSON, Ariz., July 24.—A saloon was held up by a lone masked man and \$500 in cash taken. At the point of a revolver the robber lined up ten men and the barkeeper against the bar and rifled the till. The robber then escaped.

#### King Christian Getting Better.

COPENHAGEN, July 24.—It now transpires that the illness of King Christian is not serious. He left Schwanen today for Copenhagen.

#### THE REAL CAUSE.

The Ancient Scalp-Fever Theory Exploded.

At one time dandruff was attributed to the result of a feverish condition of the scalp, which threw off the dried cuticle in scales.

Prof. Unna, Hamburg, Germany, noted authority on skin diseases, explains this theory and says that dandruff is a germ disease.

This germ is really responsible for the dandruff and for so many bald heads. It can be cured if it is gone about in the right way. The right way, of course, and the only way, is to kill the germ.

### Today's Games.

Spokane at Salt Lake, double-header.

Spokane made a desperate effort to bat out victory in the final session yesterday afternoon, but fell short by a narrow margin. With two men on bases, two gone and two tallies needed to tie the score, Reilly banged a hot one to Delmas and the suspense was ended. However, the Indians made four hits and two runs during this inning, thereby causing the major portion of the spectators to tremble. If the Big Chief of the Redskins had landed a safe one there would have been a different tale to tell. But then that "if."

### Tozer's Winning Streak.

Tozer continued his winning streak yesterday and backed up in big league fashion by the Elder fielders, held the Indians in submission in all but the final inning. In the ninth "Toz" weakened a bit and allowed Spokane to hit safely four times. The Elder pitched, but "Toz" took a landing, a triple and a timely double that scored two runners. He also fielded some, making a double play in the first inning.

### Teams Were Tied.

All went smoothly until the eighth inning. The teams were tied 4-4. Each and nobody suspected that "Dad" Clark contemplated such a garish finish. Ferron, the first up, fouled out. Then Delmas pitched a single and a second. Bryceette received a free pass to the initial sack and Tozer took up.

### Fans Were Frightened.

Rockenfield dumped one safely past the field and Stanley scored. Fray also hit safely and Ferris came home. The grandstand and bleachers were hushed. It seemed that victory was at hand. Then the Elder pitched a single and a second. Bryceette received a free pass to the initial sack and Tozer took up.

### TENNIS FEVER STRIKES UTAH

### Great Interest Shown in Game.

### Racket Fiends Have Ex- hausted City's Supply of Tennis Balls.

### Hundreds Are Practicing for the State Championship Tourney in August.

Judging from present appearances Salt Lake is about to begin a brilliant tennis career which is to mark an epoch in the history of the sport in this city. Last Thursday evening the Utah State Tennis Association—the first of its kind ever known in this State—was thoroughly organized with a set of competent officials. The officials have already begun work and are now making arrangements for holding a great State tournament to begin in the early part of September.

A strenuous effort is being made to secure representative teams from Ogden, Provo, Logan, Manti, Lehi and Nephi to enter into the tournament. Application has been made to the various clubs and players living at these places and replies are expected during the coming week. The tournament will then be booked and active work will begin at once. Each club will have to enter a team of four players and the winners will probably meet for the finals in this city.

### Provo Coming Strong.

Hitherto it has been presumed that the B street cracks would have no difficulty in winning out, but a well-substantiated rumor comes from the south to the effect that Provo is coming in good and strong. The Garden City has always had a number of crack tennis players, but their ranks have been materially strengthened lately by the arrival of a number of Eastern experts, late from college. These collegians are now engaged at the powerhouses located in Provo canyon and would consequently be eligible to enter the contest. However, it should be stated that the B street cracks have a combination of brilliant, racket wielders and it will take worthy steel to do them.

### Great Interest at the Fort.

The tennis clubs which have been in course of construction at Fort Douglas are now ready to begin their work. The game between the officers and the B street cracks will be in order during the near future.

### Supply of Tennis Balls Exhausted.

That some people are playing tennis in this city is evidenced by the fact that for the first time in its history, one of Salt Lake's most popular sporting houses ran out of tennis balls last week. Several local racket wielders and their supply is running low and a tennis ball famine is not an improbability.

### Interesting Day at Barton's.

Special to The Tribune.  
PROVO, July 24.—Provo and vicinity is promised a treat at Barton's track tomorrow. Some lovely races are scheduled to take place and the local wheelmen seem to be taking much interest in the different events scheduled. Among the interesting events the one mile Utah county championship for a gold medal occupies a conspicuous place on the programme. Besides the Samuels race, the following are to take place: Half-mile Utah county handicap, one mile Utah county handicap, one mile Utah county handicap, one mile Utah county handicap.

### Country Club Holds Last Official Practice.

The Country club golf team held its last official practice yesterday afternoon. Following is the probable line-up of the team that goes to Butte: Captain, A. W. Cope; first, Frank E. McGurran; second, Fred Hale; third, E. B. Harkness; fourth, E. B. Harkness; fifth, George Slater; sixth, George P. Holman; seventh, Hugh Satter; eighth, R. H. Officer; ninth, Dr. C. H. Plummer; tenth, George Topliff; eleventh, it is possible that E. B. Wilks will not be able to accompany the team on the Butte trip because of important business, which demands his immediate attention. All the other players, however, are sure to go and in the above line-up Salt Lake has a strong team.

### While playing yesterday afternoon Capt. Cope made the remarkable score of seven-ty-five for eighteen holes, being only one on the first round and coming out to the good on the second.

### A handicap tournament has been announced as the feature of the programme at the Country club today. All of the local men have entered and some superb golfing is anticipated as they are all playing in the best of form.
